

Acknowledgments

I am thankful to God for the good health and courage that were necessary to complete this work. It is my pleasure and privilege to thank my grandmother who taught me many great things in simple ways that helped me for surviving during week moments of my life.

I thank my Ph.D. Thesis Supervisors, *Dr. Bibhas Adhikari, Dr. Mainak Mazumdar and Dr. Venkata Ramana Badarla*, for introducing me to the area of technical writing and its nuances. In the process, I have learnt many technical and non-technical aspects of professional work. I am grateful to them for their *help* and *patience* as well as for constantly reminding me to be perfect in the little things that I do each day. Also, I am indebted to the Members of the Doctoral Committee, *Dr. Vivek Vijay, Dr. Deepak Fulwani and Dr. V. V. M. S. Chandramouli*, for their enthusiastic and continued guidance during the research work.

I thank *Dr. Sandeep chakraborty* from IIT Kharagpur for his valuable discussions and suggestions during my research work. I thank *IIT Kharagpur* for providing facilities during my visit to *Dr. Bibhas Adhikari*.

I would like to give special thank to my friend and room partner *Ranveer Singh*. We completed B.tech in 2012 and decided to join Ph.D. together. I am great-full to him for his support during my Ph.D. when I was fighting for survival. My stay at the Institute was a wonderful experience because of my seniors and friends, *Belal Usmani, Parmod Paul, Rohan Sharma, Shrivishal Tripathi, Vivek Sharma, Preeti, Puneet Jain, Anoop didi, Rakesh, Brajesh, Vivek, Amrik, Hiteshi and Gurjot*, for all the liveliness they infused into the non-academic part of the days at IIT Jodhpur. I would like to thank *Palak Samaiya* who indirectly made me realise the importance of family and friends who helped me a lot during my research work.

I acknowledge and thank my family, especially my uncles *Umesh Pandey and Yogesh Pandey*, for the patience and love with which they ushered on me, and for bearing with me even when I was spending less time with them. They always guided me while I was facing moral break downs. I pay respects to my *family members* for all their *love, sacrifices and blessings*. I am very thankful to my sisters (*Priya and Anushka*) and brothers (*Harsh and Harshit*) for their love which empowered me during my stay in IIT Jodhpur.
