

## Acknowledgments

I thank my Ph.D. Thesis Supervisor, Dr. V. Ramana, for introducing me to the area of technical writing and its nuances. In the process, I have learnt non-technical aspects of professional life. I am thankful to him for his help and patience as well as for constantly reminding me to be perfect in the little things. I thank my Ph.D. Doctoral committee members, Dr. Arun Kumar Singh, Dr. Gaurav Harit and Dr. Manas Khatua for helping me to complete my degree.

I acknowledge and thank Heena Rathore, Dipti Trivedi, Ravi Sharma, and many others who have in any way extended to help me in the various technical and non technical aspects.

Special thanks to my colleagues Mr. Amit Bhati, Mr. Rakesh Kanji, Mr. Vivek Tiwari, Mr. Amrik Singh, Mr. Kapil Dixit and other batch-mates for their constant support and making my stay in lab and institution a wonderful experience.

The journey of Ph.D. is tough and sweet for me. During this Ph.D, I learnt many lessons of life. I wish to state that all the difficulties and tough times which encountered at personal level during this period and transformed me into a better person.

I wish to extend the gratitude to my wife Puja, who supported me in this journey, sacrificed her desires and faced so many obstacles. Words cannot express how grateful I am for your selfless dearness. During this travel god blessed us with one son Hitarth; whose smile lifted the spirits of a frustrated Ph.D. scholar. He is the source of my strength and only reason for my survival. My in-laws family is also supporting me a lot in various aspects.

Acknowledgment is insufficient for all the love, sacrifices and blessings of my family. My father, mother, sister and brother supporting, sacrifices and suffering from huge pressure consistently. Due to support of my family members I am able to complete the degree program successfully.

Last, but not the least, I am deeply indebted to my grandfather Pt. Banwari Lal Shastri. Without his guidance, mentorship and love, I could not have accomplished my goal. This degree is an outgrowth of horticulture by him.

Kapil Sharma  
Ph.D. Student
