

Problem Statement	Purpose of Study	Current Approaches ○○○○○○ ○○○○○○○○ ○○○○○○ ○○○○○○○○○○	Conclusion
-------------------	------------------	--	------------

Purpose of Study

- ▶ We need new technique which predict the buy/ sell pattern as well as predict the association with high/ low returns
- ▶ Decision time more than a time tick
- ▶ Buy/ sell decision based on the return and volume of stock
- ▶ Same model work for every frequency of data
