First and foremost, I would like to express sincerest gratitude to my supervisor Dr. Ambesh Dixit for considering me as a PhD student at IIT Jodhpur. He motivated me a lot with his brilliant knowledge and incredible discussion that made my PhD life simpler. I truly admire his professional guidance towards the science and approach to deal with different objectives. He has provided me a freedom and great platform for research and without his excellence, wisdom and careful supervision this work would never be completed.

I offer my gratitude and deep sense of appreciation to my M. Tech thesis supervisor Dr. Rajnish Kurchania (NIT Bhopal), Prof. Sampat Raj Vadera (IITJ) and doctoral committee member Dr. Satyajit Sahu (IITJ), Dr. Ashutosh Kumar Alok (IITJ), Dr. Shree Prakash Tiwari (IITJ) for their constructive criticism, suggestions and being so patient with me that help to improve my research work.

I would like to thank collaborators Prof. Ravindra Pandey (MTU, USA), Prof. Sushil Auluck (NPL, Delhi), and Dr. Nirpendra Singh (KUST, UAE) for fruitful discussion and encouragement during the research activities whenever needed.

My heartfelt respect to seniors Dr. Belal Usmani, Dr. Lokesh Saini, Dr. Rohitash Kumar, Dr. Goutam Kumar Gupta, Dr. Anurag Sahu, Dr. Rajesh Kumar Jha, Dr. Chandni Kumari and Dr. Sudipto Som for their encouragement and making me familiar with the research environment. I am also thankful to my friends Mr. Abhijeet J. kale, Mr. Chandra Prakash, Mr. Sumit Kukreti, Mr. Ajay Tiwari, Mr. Ram Milan Sahani, Mr. Radha Raman, Mr. Shubham Tyagi, Mr. Nilesh Kumar, Mr. Dushmant Naik, and Mr. Lwithwsa Swargiary for making my life joyful at IIT Jodhpur. I also extend my thanks to all my friends and staff at IIT Jodhpur.

I also gratefully acknowledge to all scientist and professor who helped me, providing research guidance & support during my research work. My acknowledgement also extends to all those people, apart from aforementioned whom I was fortunate enough to meet with, during this journey and who enriched me with their support and knowledge.

My special thanks to the Ministry of Human Resource Development (MHRD), the Government of India for providing me financial support during my stay at IIT Jodhpur. I acknowledge IIT Jodhpur for providing me an experimental and computational facility. I offer my humble thanks to the Ministry of Education (MOE), Taiwan, and Professor Chung Hsin Lu (NTU Taiwan) for providing me the internship opportunity.

I dedicate this thesis to my grandfather, late Mr. Ramgopal Chaurasiya. He was my first teacher and the foundation builder of my carrier. I am thankful for the unconditional support and sacrifices of my parents Mr. Ashok Chaurasiya, and Ms. Sumitra Chaurasiya made me on my behalf. I don't have a word to express how thankful I am to my elder brothers Mr. Rajesh Kumar Chaurasiya and Anand Kumar Chaurasiya. I am grateful to my sisters Ms. Rajnee Chaurasiya and Ms. Sangeeta Chaurasiya.
