

Certificate

This is to certify that the thesis titled *A Solution state NMR Account of Organophosphate Pesticides-Protein Interaction*, submitted by Vandana (P14BS006) to the Indian Institute of Technology Jodhpur for the award of the degree of *Doctor of Philosophy*, is a bonafide record of the research work done by him under my supervision. To the best of my knowledge, the contents of this report, in full or in parts, have not been submitted to any other Institute or University for the award of any degree or diploma.
