First and foremost, I bow at the Lotus Feet of Huzur Radhasoami Dayal for showering His unbounded Grace and Mercy and giving me the inspiration and strength to accomplish this arduous task. I am ever grateful to Supreme Father Most Revered *Prof. P. S. Satsangi*, epitome of Grace and Mercy, for His incessant encouragement and motivation. He will be a source of inspiration for me throughout my life. This research work is a humble effort towards fulfilling his philosophy that scholars have a responsibility to use the privileges of academia to imagine and create a better world.

I would first like to thank my mother, *Smt. Sunita Pathik*, without her continuous support and encouragement I would not have been able to achieve my goals. This one is for you "Ma"!

I am pleased to express my sincere gratitude to my research supervisors *Dr. B. Ravindra*, Department of Mechanical Engineering and *Dr. Vivek Vijay*, Department of Mathematics, Indian Institute of Technology Jodhpur, Rajasthan for their valuable guidance.

I am deeply thankful to my mentor *Shri M. Siddhartha Bhatt*, Former Director, Central Power Research Institute, Bangalore for his valuable help in my research work from time to time.

I am thankful to *Ex-Prof. Ravindra Arora*, IIT Kanpur, *Ex-Director General Shri N. Murugesan*, CPRI Bangalore and *Prof. D. K. Chaturvedi*, DEI Agra for their guidance and moral support.

My heartfelt thanks to *Mr. Dharmesh Kumar* for helping me get through the difficult times, and for all the emotional support, comradery, entertainment, and caring he provided through this entire journey.

I would never forget all the discussion at tea-point and beautiful moments I shared with some of my friends and classmates. They were fundamental in supporting me during these stressful, difficult moments and celebrated each accomplishment. Other close friends I would like to mention here: *Vivek Verma, Satgur Saran and Priti Bhaskar*.

Finally, my deepest gratitude goes to my family, especially my father *Shri J. P. Pathik*, who supported me emotionally and financially. I always knew that you believed in me and wanted the best for me. Thank you for teaching me that my job in life was to learn, to be happy, and to know and understand myself; only then, could I know and understand others. A special thanks to my younger brother *Charan Pratap Singh* and *Jayant Pratap Singh* for their love and affection. I pay respects to my parents for all their love, sacrifices and blessings. At the end I would like express appreciation to my beloved wife, *Neelam Singh* has been extremely supportive of me throughout this entire process and has made countless sacrifices to help me get to this point.

I am thankful to all who helped me directly or indirectly and whose names could not appear here.
