

Acknowledgements

I would like to take this opportunity to express my sincere gratitude towards my PhD supervisor *Dr. Sushmita Jha* for the continuous support in this research. This work would not have been possible without her guidance and encouragement. She has been constantly supportive and believed in my capabilities. I consider myself fortunate that I could play a part in the establishment of our Advanced Biosciences and Neuroscience laboratory. In her supervision I learnt about good work ethics and how to utilize given resources in the best possible manner. I highly appreciate her dedication towards science and good research values. My advisor encouraged me to be inquisitive towards my research and stay open to healthy criticism. I will always be indebted to her personal support and motivation during tough times.

I would also like to thank my committee members, *Drs. Samanwita Paul, Sushmita Paul, Meenu Chhabra, Ganesh Bagler, Karunakar Kar, Satyajit Sahu* for their timely guidance and evaluation of my research work. Their valuable inputs and suggestions facilitated my research progress and allowed me to grow as a research scientist. I would also like to thank *Dr. Amit Mishra* for his support in the duration of my research.

I am also thankful to my lab members *Nidhi Sharma, Shivanjali Saxena and Ishan Agrawal* for their support and cooperation during my PhD. I also want to thank, *Mr. Bharat Pareek, Ms. Poonam* and *Mr. Mohan Mukesh Malviya* for their technical support and assistance. Thank you to all my friends *Arun Kumar Upadhyay, Ankisha Vijay* and *Vibhuti Joshi* for always being there with constant support and encouragement. They have been an essential part of my PhD journey, celebrated my achievements and supported me during hardships.

I would like to dedicate this thesis to my mother *late Suman Lata* and my grandparents *late Shri Babu Ram* and *Shrimati Jagwati Devi*. I always miss their unconditional love and support. I am grateful towards my uncle *Shri Ajit Singh* for scarifies and blessings. He has been hugely supportive towards my career. I would also like to thank my family members and cousins for their never-ending love and encouragement.

Shalini Singh
Ph.D. Student
